FEDERAL GRAND JURY TO

FINISH WORK TOMORROW
Pueblo, Colo., Nov. 28.—The federal grand jury which is investigating the Colorado coal strike met at 1 o'clock this afternoon and also will meet a night session. The jury is through with its work and in preparing its report, which probably will be made at 3 o'clock tomorrow afternoon. Several indictments are expected.

TRIAL FOR MURDER
OF HELEN KNABE
TO BE LONG

Preliminaries Waived in Case
of Dr. William Craig and
Examination of Jurors Is
Begun.

(By Leased Wire to Evening Herald.)
Shelbyville, Ind., Nov. 28.—Little time was wasted in preliminaries at the opening of the trial today of Dr. William B. Craig for the alleged murder of Dr. Helen Knabe. The usual motion to quash the indictment was overruled and examination of prospective jurors then was begun. It was apparent from questions asked by the prosecution that the trial was expected to last a long time. Dr. Craig arrived from Indianapolis early, accompanied by his 14-year-old daughter, Marion. They proceeded to the court house at once, where the accused man's lawyers were awaiting them. The two listened attentively to the examination of veniremen. The prosecutor asked the veniremen if they would be willing to convict on circumstantial evidence. None of the thirteen acknowledged acquaintance with "any woman doctors of Indianapolis." Neither did any of them know Harry C. Webster, the private detective who is supposed to be the principal witness for the prosecution.

SIGMA TAUS TO GIVE
PLAY ON JANUARY 9

The Sigma Tau fraternity of the University of New Mexico will begin work in a couple of days on preparations for "Fraternity Follies," the annual fraternity production which will be given by the members at the Elks' theater on January 9. The boys intend to make it a scream. The Sigma Taus meet tonight at the chapter house for a Thanksgiving celebration.

HABEAS CORPUS FOR
GENERAL ZELAYA
IS ISSUED

Former Dictator of Nicaragua,
Ignominiously Thrown Into
Tomb Seeks the Fresh Air.

(By Leased Wire to Evening Herald.)
New York, Nov. 28.—A writ of habeas corpus in behalf of General Jose S. Zelaya, former president of Nicaragua, was issued by Federal Judge Holt this afternoon. It is returnable at 2 p. m. Monday next. When arguments will be heard.

Zelaya was arrested here Wednesday midnight at the request of the Nicaraguan government on a charge of murdering two Nicaraguans. Zelaya, in an effort to escape, fled the charge and said he has been unlawfully deprived of his liberty. He has been in the tomb.

The writ for habeas corpus will take precedence over his extradition before United States Commissioner Shinda next Monday. The state department is waiting for additional information from the Nicaraguan government concerning the charges against the former president. This information is expected to reveal whether the alleged crime is political, and if so not subject to the extradition laws.

ALLEGED THAT ZELAYA'S
CRIME WAS POLITICAL

Washington, Nov. 28.—Counsel for Jose Santos Zelaya today continued efforts to induce the state department to cancel the warrant under which the former dictator of Nicaragua is held in New York, without waiting for the arrival of the papers on which extradition is sought. Solicitor Folk has been urged to take such action on representations that the crime charged against Zelaya was political. Mr. Folk told counsel that if that fact were established the warrant could be withdrawn. Meanwhile he will hear arguments by Charles Douglas, counsel for the Nicaraguan government, on the other side of the case.

NEW YORK ACTRESS
LOSES HER FEATHERS;
HAS GOOD PRESS AGENT

(By Leased Wire to Evening Herald.)
El Paso, Tex., Nov. 28.—Vivian Allen, a New York actress, who had a bird of paradise feather taken from her hat at the international bridge by customs officials as she returned from Juarez, Mexico, Wednesday afternoon, had further experiences in the Mexican border town last night. She declares that two weeks ago she met a man in the Savoy hotel in New York who purported to be Lieutenant Rodriguez Villana, of the staff of General Venustiano Carranza, and that the man said he was selling mining stock to aid the rebel cause. She says she bought \$7,000 worth and was to meet the man and his mother in Juarez and accompany them to the mine near Guadalupe. She arrived here Wednesday and says she saw the man in Juarez that day by appointment. As she returned to El Paso the customs officers took her alleged. It so angered her that she threw the hat at the officers. This morning, she says, she returned to Juarez last night to meet the supposed lieutenant and that while he was ostensibly taking her to his mother he led her through a dark street when he suddenly turned on her and demanded the return of the stocks, and when she refused he grasped her waist and attempted to tear it open. He had a knife in his hand, she says, and her shoulder was cut. She exhibits the torn waist and the cut on the shoulder as proof of her story and says she is going back to New York tonight. She says she started in a play out of Chicago last year.

HEAVY INCREASE IN
NUMBER OF PERSONS
KILLED ON RAILROADS

(By Leased Wire to Evening Herald.)
Washington, Nov. 28.—The interstate commerce commission's accident bulletin, issued today for the quarter ended June 30, 1913, shows that as compared with returns of the corresponding quarter of 1912, there was a total increase of 146 in the number of persons killed and of 8,283 in the number injured in railroad accidents of all kinds in the United States. There was an increase of 124 in the number of train accidents. Defective roadway and defective equipment caused more than 39 of all deaths reported, 13.1 per cent being caused by broken rails.

The total number of casualties in all classes of accidents, incident to railroading during the quarter was 2,535 killed and 49,011 injured. Of these totals, 2,282 were killed and 15,865 injured. Of these totals, 2,248 were killed and 15,568 injured in other than train accidents, including accidents to employees while at work, to passengers getting on or off cars, and to trespassers.

The total number of collisions and derailments reported for the quarter was 8,596, of which 148 collisions and 202 derailments affected passenger trains. The financial damage caused by the accidents was \$2,254,389, a material increase of the returns for the corresponding quarter of 1912.

LAWRENCE MAY SUE
PETER KITCHEN
OF GALLUP

Insurance Man Acquitted by
McKinley County District
Court, Alleges Prosecution
Was Malicious.

F. D. Lawrence, former agent for the Occidental Life Insurance company, acquitted in Gallup last Tuesday of the charge of obtaining money under false pretenses, has instructed his attorneys to prepare papers in a proposed suit against Peter Kitchen of Gallup for alleged malicious prosecution. He seeks to recover \$25,000.

While in Gallup some months ago Lawrence drew on the Occidental company for \$35, the draft being cashed by Peter Kitchen, a prominent business man of the Carbon city. The draft was not honored and Kitchen, it is claimed, caused the arrest of Lawrence, who was held in the Gallup jail for a week or more. He was finally released on bail and, at the term of court just closed, was found guilty of the charge, the jury being out just eleven minutes.

Attorney H. C. Miller of this city, who defended Lawrence on the criminal charge, said that Kitchen, of Santa Fe, had been retained by Mr. Lawrence for the purpose of prosecuting the civil action against Mr. Kitchen.

WORK RESUMED ON
CITY HALL

Delayed Shipment of Structural Steel Arrives From Pueblo and Cement Pouring Will Be Resumed at Once.

After an annoying delay of several weeks, work was resumed this morning on the new city hall. The interruption was caused by the failure of the Colorado Fuel and Iron company to promptly fill an order for structural steel placed some months ago. The iron company, in explanation of the delay, informed City Engineer Gladding that their Pueblo plant had been forced to close on account of the strike in the Colorado coal mines, it being impossible to procure fuel to feed the furnaces. It is expected that cement pouring will be resumed tomorrow, and the structure will be rushed to completion. The delay has been particularly annoying to Engineer Gladding and those in charge of the work who were forced to stand idly by while the weather was ideal for building operations.

PANAMA CELEBRATES
ANNIVERSARY OF HER
INDEPENDENCE

(By Leased Wire to Evening Herald.)
Panama, Nov. 28.—While looking forward to the opening of the Isthmian canal and anticipating a great increase in her already established property, Panama is today observing the 52nd anniversary of her independence from Spain. It was the last of the South American colonies to shake off its European rule when on Nov. 28, 1821, it declared independence from Spain. It then became for a time the department of the Isthmus of the new republic of Colombia, but its history for many years continued to be one of strife until 1903 when independence from Colombia was effected. Some of the milestones in Panama's history, after the independence from Spain in 1821 are the completion of the Panama railroad in 1855, the start of the construction of the Panama canal in 1881 and treaty with the United States in 1904, through which Panama virtually became a protectorate of the United States.

Her shores, which were the scene of pirates until Spain built a castle wall around the capital in 1674, will soon virtually furnish a peaceful cutting port for the shipping of the world.

DOT FARLEY COMING

IN MOVIES

Popular Motion Picture Comedienne Returns to Albuquerque to Take Leads With Hamilton's Company.

It has just been announced that Miss Dorothy Farley, formerly leading lady with the Essanay Film manufacturing company, American Film company, Frontier films and Keystone films, has been secured for the leads in the features to be produced by G. P. Hamilton, Albuquerque Film Manufacturing company, and will return here soon.

Miss Farley enjoys the universal reputation of being one of America's greatest motion picture comedienne. She is also the author of scores of successes—her most noted work being "The Peril of the Plains," a Warner feature produced by Mr. G. P. Hamilton, president and general manager of the Albuquerque Film Manufacturing company, and Miss Farley's work in this production also demonstrates her wonderful dramatic ability.

The management of the Albuquerque Film company, is to be congratulated upon securing the services of such a noted little lady as Miss Farley, who joins the company at once, and the best talent to be obtained is being engaged to support her.

The company is at present in Los Angeles producing their first three-reel feature which releases through the Warner features. Mr. Hamilton is securing the very best talent available to fill his companies and it goes without saying that their slogan, "The World's Best," will be carried out to the letter, for all filmdom knows Mr. Hamilton's ability and tenacity of purpose.

LIST OF SLUSH FUND
DONORS FOR WHITMAN

(By Leased Wire to Evening Herald.)
New York, Nov. 28.—A list of campaign contributions to the Progressive and Republican parties in 1911, 1912 and 1913 was delivered to District Attorney Whitman today from the office of the secretary of state at Albany. These documents were demanded by Mr. Whitman for use in his investigation of charges that campaign contributions were extorted from state contractors. Revelations hitherto obtained in the course of this investigation have concerned only contributions to the Democratic campaign fund.

JOYS AND GLOOMS
ON SPEICAL TRAIN

Italians Bound for Sunny
Italy to Spend Christmas,
and Prisoners Bound for
Pen Make Fast Time Over
Santa Fe.

Four cars laden with joyous and prosperous Italian citizens, bound for their homes in Europe to spend Christmas, and a carload of enlisted and gloomy military prisoners bound for the military prison at Fort Leavenworth, Kansas, composed a special train which passed through Albuquerque at 2 o'clock this afternoon.

The Italians, 110 in number, nearly all residents of San Francisco, are members of an excursion party gotten up by the Agenzia Fugazzi, one of the largest foreign tourist agencies on the west coast. The party sails from New York, December 3, on the French line steamer La Lorraine for Havre, France, at which point the party will break up, the members scattering to their several homes in sunny Italy, returning to America at their own convenience.

Another and larger party of Italians and Austrians, gotten up by the Agenzia Fugazzi, will pass through Albuquerque next week bound for the same destination.

From Chicago east the special will travel over the lines of the New York Central. Carleton C. Crane, general agent for the New York Central Lines at San Francisco, and Tourist Agent W. M. Connel of the Santa Fe coast lines accompany the party.

The special train left San Francisco Wednesday night at 11:30, two hours behind No. 2, the Tourist Flyer, and passed both of these fast trains en route. Leaving Albuquerque the train crew had orders to run as fast as possible consistent with safety and if the schedule is kept up the party will be in New York Sunday.

WILSON WILL READ

Saskatchewan Voters Apathetic.
Regina, Sask., Nov. 28.—Indifference of electors yesterday killed possible adoption of initiative and referendum legislation in the province of Saskatchewan. While almost all the vote cast was favorable to the issue, less than ten per cent of the voters went to the polls and the proposition failed.
